Second quay concert may need to be indoors due to high tide-NN will decide nearer the day but will probably start early-NN will mention to choir on Monday next.

9. Feedback from recent concerts

Noss Mayo-risers did not fit! RR will add info box to choir arrangements to ensure such things are recorded in future and thus avoided.

RR had to collect pasties for Feast Week concert during second half of concert and thus could not sing. Thanks to him expressed but this must be avoided in future.

Peter Bowker- a suggestion that we support Mike the assistant MD with training-wholeheartedly agreed NN will ask Phil Taylor about providing this.

Trailer Parking- RM will ask Gary Mitchell about his Port Mellon boat park but likely we will need to use Drive Line at least in summer as not too expensive and very local.
